Developer **R. Donahue Peebles** hosted a preview dinner for The Bath Club Estates earlier this week. Peebles was responsible for the redevelopment of The Bath Club in Miami Beach in 2000, a luxurious private members-only club and condo residences.

The event was timed with Art Basel to attract international buyers and the city's top-selling brokers, to whom Peebles unveiled 13 extraordinary designer curated residences. Wife Katrina Peebles selected some of the world's best designers to create custom residences including **Jennifer Post, Alexandra Champalimaud, Alison**
