## Stephen Fry

### THE FRY CHRONICLES: A MEMOIR

Stephen Fry is an award-winning comedian, actor, presenter and director. He rose to fame alongside Hugh Laurie in *A Bit of Fry and Laurie* (which he co-wrote with Laurie) and *Jeeves and Wooster*, and was unforgettable as Captain Melchett in *Blackadder*. More recently he presented *Stephen Fry: The Secret Life of the Manic Depressive*, his groundbreaking documentary on bipolar disorder, to huge critical acclaim. His legions of fans tune in to watch him host the popular quiz show *QI* each week.

Thirteen years ago, "Moab is My Washpot", Stephen Fry's autobiography of his early years, was pub-

lished to rave reviews and was a huge bestseller. In those thirteen years since, Stephen Fry has moved into a completely new stratosphere, both as a public figure, and a private man. Now he is not just a multi-award-winning comedian and actor, but also an author, director and presenter. In January 2010, he was awarded the Special Recognition Award at the National Television Awards. Much loved by the public and his peers, Stephen Fry is one of the most influential cultural forces in the country. This dazzling memoir promises to be a courageously frank, honest and poignant read. It will detail some of the most turbulent and least well known years of his life with writing that will excite you, make you laugh uproariously, move you, inform you and, above all, surprise you.

## R. Donahue Peebles & J. P. Faber

### THE PEBBLES PRINCIPLES

At the tender age of nineteen, Donahue Peebles entered the business jungle with no resources beyond his native smarts, a decent education, and a powerful drive to succeed. Seven years later he became a multimillionaire. Today, with a net worth of more than a quarter-billion dollars, he commands a real estate empire stretching from the boulevards of Washington, D.C., to the sparkling beaches of Miami Beach to the glitzy strips of Las Vegas. How did this determined young entrepreneur achieve such spectacular success so quickly? Can others learn his secrets and emulate his accomplishments? Can you?

In entertaining first-person accounts of his most important deals, Donahue Peebles reveals how each transaction required him to find new resources within himself to ensure

its success. Through this process, he discovered valuable principles that would aid him in all of his future endeavors. Some lessons are motivational and inspirational; many are hardball business how-to's that apply

in any industry and any type of transaction.

Key Peebles Principles include:

- Make your money going into the deal
- Control of the deal is more important than cash
- Being lucky means being ready
- If the key doesn't fit, change the lock
- Be a bulldog on details
- Listen to your first instinct
- Respond quickly to attacks
- Find out what the other side really wants and give it to them
- Turn vinegar into wine; setbacks are opportunities in disguise
- Seeing value is everything
- Be the last man standing

Colorful and detailed behind-the-scenes accounts of each transaction provide a real-world business context for each principle and show you how to apply them in practice.

Complete with a unique discussion of the importance of politics in business and how to make it work in your favor, *The Pebbles Principles* is the indispensable resource for anyone eager to turn dreams of business success into reality very, very fast.
