The Bath Club Estates Preview – 8.9.14

by JAMES MCCLISTER

AUGUST 18, 2014

Don and Katrina Peebles hosted a private cocktail party at their Bridgehampton home in celebration of Miami Beach property, The Bath Club Estates. Million Dollar Listing NY star Oren Alexander and recent Million Dollar Listing Miami star Chris Leavitt from Douglas Elliman, who was also the subject of our recent [Viewpoints feature](#), have been brought on to co-direct sales for the exclusive development, which features only 13 oceanfront custom residences. Together, they will target high-net-worth clients from the Northeast who have proven to be voracious consumers of exclusive Miami Beach real estate during the past three years.
